MISSISSIPPI MUSEUM *of* ART

DAY #1:

DISTANCE DRAWING

P.S. We're saving all of our stories,
week by week, in our highlights!

Distance Drawing!

Adapted from our Museum App activity, "Back-to-back Drawing"

What you'll need:

2+ People

Pens, pencils, or other drawing materials

Paper

Mystery object! (Art or household item)

STEP 1

Assign one person as the "describer"
and others as "artists/drawers"

I'll be the "describer!"

**I'll be the
"artist/drawer!"**

This activity is video-chat friendly!
Try pairing with a friend far away!

STEP 2

The "describer" will pick a secret object in the house (art or otherwise) to be the focus of the activity.

I picked my secret object!

I'm facing the other way!

STEP 3

The "describer" will talk about what the object looks like while the "artist/drawer" attempts to draw what they hear!

This item kind of looks like a trophy with a nose?

Try to do this for 5 minutes

Then switch!
